

## Job Description

<b>Position:</b>	Lecturer
<b>School:</b>	Engineering
<b>Reference:</b>	ENG-168/A
<b>Grade:</b>	Grade 7
<b>Status:</b>	Permanent
<b>Hours:</b>	Full Time
<b>Responsible to:</b>	Head of School
<b>Responsible for:</b>	Delivery of teaching, assessment, curriculum development and associated research and enterprise initiatives.

### Main Function of the Post:

- To teach on undergraduate and taught postgraduate programmes across the School of Engineering Portfolio, and contributing to the management of these programmes wherever possible.
- To contribute to the development of all facets of Facilities Management within the Subject group and to the wider portfolio of the School/University as appropriate.
- To undertake research and scholarly activity and/or high level professional creative practice in the field of Facilities Management

### Principal Duties and Responsibilities:

1. Support the management and direction of students and learning resources as assigned by the Head of School.
2. Develop and deliver resources, teaching materials and assessments to meet programme/course/student frameworks and learning outcomes on a range of programmes.
3. Supervise and/or co-ordinate the work of taught undergraduate/postgraduate and/or research students, as required.
4. Set, mark and assess students' work, ensuring learning outcomes have been met and feedback is both detailed and constructive.
5. Undertake research and/or other agreed scholarly activity in order to contribute to the development of the field and to further the School's/University's standing in the HE sector and wider community.
6. Prepare appropriate proposals and applications to external bodies to secure research funding and generate additional income/opportunities for the University.
7. Use initiative, creativity and judgement in the development of appropriate research methodologies to further scholarly/enterprise activity in the area.
8. Interact on a professional level with relevant internal and external professional bodies to ensure currency of knowledge, relevancy and accreditations.

9. Participate in the development of internal and external partnerships to disseminate information, share best practice, establish opportunities for collaborative work and enhance the reputation of the School/University.
10. Design, review and adapt module content in response to student feedback and need.
11. Teach on academic/research programmes across the School.
12. Engage with quality assurance processes/procedures to ensure that School/University standards are met.
13. Participate and contribute to University/School/Programme meetings/boards as appropriate to the role.
14. Contribute to appropriate pre-entry, recruitment, selection and admissions activities (including Open Days and Partner/Employee Visits) in order to promote the School and gain a better understanding of student/employee needs/expectations.
15. Provide a first point of contact for student welfare issues, referring problems on where they are complex or serious.
16. Introduce new starters to the School, providing support and training on the skills, processes, systems and activities of the School.
17. Provide feedback to colleagues via peer mentoring schemes to support the development of self and others.
18. Carry out personal and professional development to enhance subject authority and to contribute to the University's reputation for academic and professional excellence.
19. Ensure a safe working environment and abide by University health and safety policies and practices and to observe the University's Equal Opportunities policy and Dignity at Work policy at all times.
20. Ensure and maintain integrity and confidentiality of data and associated data protection requirements in line with the statutory and corporate requirements.
21. Awareness of environmental and sustainability issues and a commitment to the University's associated strategy with respect to the performance / delivery of key responsibilities of the role.

**Note:**

This is a description of the role requirements as it is presently constituted. It is the University's practice to periodically review job descriptions to ensure that they accurately reflect the role requirements to be performed and if necessary update to incorporate changes were appropriate. The review process will be conducted by the relevant manager in consultation with the role-holder.

Please note that this appointment may be subject to Disclosure and Barring Clearance.
