Note:

The policy is intended to be applied flexibly in the recognition that the external environment is subject to change and a variety of unforeseen circumstances may arise.

1. PURPOSE

- 1.1 In ensuring that its students are presented with the best opportunities to succeed on their programmes of study, the University expects full attendance/engagement with scheduled sessions and activities. Evidence indicates that interaction with scheduled sessions and activities is fundamentally connected to student outcomes and allows students to work effectively alongside their tutors and peers.
- 1.2 The University recognises that there are circumstances when a student may legitimately be unable to attend and engage when required and here effective communication with the tutors concerned is fundamental to allow support measures to be put into place as appropriate.
- 1.3 This document sets out the University's expectations in relation to the recording and monitoring of student attendance, engagement and absence, and the actions to be followed when attendance drops below a set threshold.
- 1.4 The policy also outlines measures which may be taken in the event of student lateness, with the recognition that punctual attendance at scheduled sessions prevents unnecessary disruption to learning and is a matter of courtesy to the tutor and peers.

2. SCOPE

- 2.1 This document applies to all students studying on a University taught programme of study, including those who are sponsored under Tier 4 or the Student Visa Route. Supplementary requirements for this group of international students are highlighted within.
- 2.2 It is recognised that there may be programmes with additional attendance requirements, such as those accredited by a professional body and apprenticeships. Where such additional requirements apply, the University will expect students to comply with these requirements.
- 2.3 Students studying at partner institutions may be subject to a local attendance policy, set by the partner. That policy should meet the minimum expectations outlined in this framework. If the policy is different to the University's policy, it will be communicated to students by the partner institution.

3. ATTENDANCE AND ENGAGEMENT ON TAUGHT PROGRAMMES

3.1 Recording of Interactions

- 3.1.1 The University expects full attendance and engagement with **scheduled sessions** and activities. These may include face-to-face or online lectures, seminars, workshops, work-related learning, project supervision, tutorials and other set interactions which are set out in Module Guides and on the Virtual Learning Environment (VLE).

3.1.2 Students are required to indicate their on-campus or remote attendance of scheduled sessions by “checking in” on the *MyBolton App* at the start of the session, using a one-time code provided by the Module Tutor. Attendance is then verified by the Module Tutor. If a student is unable to “check in” at the start of the session but is attending the session, they should alert the Module Tutor of this.

3.1.3 If, for good reasons, students are unable to attend a scheduled session, they are expected to notify the Module Tutor and engage with session tasks set on the VLE, or otherwise communicated.

3.2 Notification of Absence for Non-attendance or Non-engagement

3.2.1 Students who for valid reasons are unable to attend or engage satisfactorily with a session or sessions within a week may request a “notified absence” be recorded on the register.

Please note that normal work demands on the part of an employer and holidays will not normally be viewed as valid reasons for absence.

3.2.2 Students may request a “notified absence” from their studies by contacting the Programme Leader* by email, copying in their Personal Academic Tutor. The student should explain why they are requesting the absence. The Programme Leader and Personal Academic Tutor may, if they deem it appropriate, ask students to provide documentary evidence** of the reason for their notified absence.

Where a student is unable to attend and engage in module activities and complete assessments before the end of a module, a request for Mitigating Circumstances should be submitted together with documentary evidence.

It may also be deemed appropriate for a student to pause (suspend) their studies until such time that they can re-engage.

* In large cohorts of students this may be the Cohort Leader.

** Examples of documentary evidence for notified absence include scans of official letters, e.g. from a medical professional, a legal professional, your employer; medical or death certificates and official reports.

3.3 Absence Procedure

3.3.1 Regardless of whether absence is notified or unauthorised, the University regards absence from study as a concern for a student’s progression and achievement, as a substantial amount of delivery may have been missed. The University therefore has a prescribed Absence Monitoring Procedure which is set out in **Annex A** and outlined in this section.

3.3.2 **Early Intervention:** Communication between Personal Academic Tutors and students is essential where problems with attendance come to light. Where registers show any short periods of absence or emerging patterns, the Personal Academic Tutor will discuss reasons for these as part of a routine one-to-one tutorial. Early referral to

other support services, where appropriate, is paramount. The importance of attendance and engagement should be clarified by the Personal Academic Tutor and strategies to improve these discussed with the student.

- 3.3.3 **Stage 1: Absence Concern Email:** Where a student's attendance (notified or unauthorised) falls below the 80%* threshold in any given month, they will be sent an Absence Concern email, copied to their Personal Academic Tutor, which highlights the implications of unsatisfactory attendance and identifies support services available.
- 3.3.4 **Stage 2: Initial Absence Concern Meeting:** Where a student's attendance (notified or unauthorised) is below 80%* in the 2 weeks following the sending of the Absence Concern Email, they will be invited to an Absence Concern Meeting with their Personal Academic Tutor and Programme Leader. This may be conducted face-to-face or via a video call as appropriate.

At the meeting the Personal Academic Tutor (or a nominee) will consider the stated reasons for absence and whether absences were unauthorised or notified, together with any evidence provided by the student to explain their absences. Where it is identified that students require additional support, they may be referred to an Enhanced Personal Academic Tutor or other University Services, and/or be given a Supported Study Plan. If appropriate, options for pausing studies (suspension) will be explored with the student.

If the lack of attendance and engagement is not explained adequately, an *absence warning* may be issued and an *Attendance and Engagement Plan* drawn up with timescales included. Students will be asked to agree to a statement which states that they will comply with the requirements set out in the plan.

Where a student does not attend the meeting without a valid explanation, this will take place in their absence, and a *Formal Absence Warning* may be issued, alongside an *Attendance and Engagement Plan*.

- 3.3.5 **Stage 3: Final Absence Concern Meeting:** Where a student's attendance (notified or unauthorised) is below 80%* in the 2 weeks following the Initial Absence Concern Meeting, they will be invited to a further (Final) Absence Concern Meeting with their Personal Academic Tutor and the Academic Co-ordinator for Recruitment and Retention (or a nominee). This may be conducted face-to-face or via a video call as appropriate.

At the meeting the stated reasons for continued absence/lack of engagement and evidence provided by the student to explain their absences will be considered. Where there are valid reasons for continued absence, options for further referral and/or pausing studies (suspension) will be explored.

If the lack of attendance/ engagement is not explained adequately, a Final Formal Absence Warning may be issued (following the initial Formal Attendance Warning). A further *Attendance and Engagement Plan* will be drawn up with timescales which

students will be asked to sign to confirm they will comply with the requirements set out.

Where a student does not attend the meeting without a valid explanation, this will take place in their absence, and a final formal *Absence Warning* may be issued, alongside a further *Attendance and Engagement Plan*.

- 3.3.6 **Notification of Intention to Withdraw** : If a student does not attend/engage following a final *Formal Absence Warning*, they will be sent a Notification of Intention to Withdraw, following authorisation by the Head of School. Please see Section 5 for reviewing and appealing withdrawal decisions.

*Attendance threshold may differ for specific programmes as identified in individual Programme Handbooks.

3.4 Additional Requirements for International Students Sponsored under Tier 4/Student Visa Route.

International students sponsored under Tier 4 or the Student Visa Route who request a notified absence which exceeds one week must be referred to the International Student Compliance Manager by the Programme Leader.

Where an international student is sponsored under Tier 4 or the Student Visa Route, the International Student Advisor should be invited to attend the Initial Absence Concern Meeting and the International Student Compliance Manager should be invited to attend the Final Absence Concern Meeting.

In addition to withdrawal of sponsorship due to unsuccessful outcomes of Absence Concern Meetings (see 3.3.6), the University is required to withdraw sponsorship of any international student on a programme at HE6 or above who does not attend and engage for a period of 60 consecutive days.

International students on taught programmes with Level 3, HE4 or HE5 awards who are sponsored under Tier 4 or the Student Visa Route will be withdrawn if their attendance falls below 80%* for three consecutive months, unless there are exceptional and evidenced reasons for the non-attendance (e.g. illness).

Any international student who is sponsored by the University under Tier 4 or the Student Visa Route seeking to suspend studies must first be referred to the International Student Compliance Manager before doing so.

*Attendance threshold may differ for specific programmes as identified in individual Programme Handbooks.

3.5 Recording Meetings and Communications

It is essential that contact and interventions to support students, as well as absence concern meetings and their outcomes, are logged as Personal Tutor Interactions on the Pulse record system by the Personal Academic Tutor in a timely manner.

4. ATTENDANCE/ENGAGEMENT AND ASSESSMENT BOARD DECISIONS

Where a student has not satisfactorily attended and engaged with a module or number of modules and has been unsuccessful, an Assessment Board may decide it is appropriate for them to repeat a period of study (if applicable) or be withdrawn (made fail and finish), as outlined in the Assessment Regulations.

5. REVIEWS AND APPEALS AGAINST WITHDRAWAL FOR NON-ATTENDANCE

5.1 Students who have been sent a *Notification of Intention to Withdraw* may send a request for a review of the decision to the Dean of Faculty within two weeks of the notification being sent. At the discretion of the Dean, the student may if appropriate be offered re-admission to the University on the condition that they sign and comply with an *Attendance and Engagement Plan*.

5.2 Students who do not request a review or who have an unsuccessful review outcome may appeal the withdrawal decision using the Academic Appeals procedures detailed on the Student Policy Zone. A successful appeal outcome may also include re-admission to the University on the condition that they sign and comply with an *Attendance and Engagement Plan*.

6 PUNCTUALITY

6.1 The University expects punctual attendance at all scheduled sessions. These may include face-to-face or online lectures, seminars, workshops, placements, tutorials and other set interactions which are set out at module level in Module Guides and on the VLE.

6.2 Students should plan to arrive in good time for all scheduled sessions and remain for the duration of these. Late arrival at, as well as early departure from, scheduled sessions can be perceived as discourteous, unprofessional and disruptive to other class members and tutors. The tutor has the discretion to reasonably refuse admission to students who arrive late.

6.3 Students who know in advance that they may be late to a scheduled session or who need to leave early should notify their Module Leader as soon as is practicably possible.

6.4 It should be noted that students who “check in” later than 10 minutes after the start of the class and/or who are recorded by their Module Tutor as attending later than 10 minutes after the start of the class, will have a late mark automatically shown on the register.

2. Attendance and Engagement Expectations: It is expected that all Postgraduate Research students meet with their Director of Studies on a monthly basis up to the completion of their research. This monthly meeting may be face to face at the University in Bolton or via video calling.

International students sponsored under Tier 4 or the Student Visa Route are required to complete a Research Attendance form either during or directly following the meeting with their supervisor. This form must be signed by both the student and the Director of Studies (copies should be retained by both student and Director of Studies).

3. Remote Study Outside the UK: Students wishing to undertake their research studies for a period of time outside the UK must receive approval from both the International Student Compliance Manager and their Director of Studies. Engagement and attendance expectations as set out above will apply.
