**Are you interested in joining the number one University in Greater Manchester for student satisfaction, working at a partner college (Petroc College) in Barnstaple?**

At the University of Bolton, we are proud of our growing reputation as a student focussed University. With our strategy of "Teaching Intensive, Research Informed" we are committed to offering our students the best experience possible. Due to our ongoing growth, we are now looking for a Part-time Work-based Apprenticeship Trainer to join the School of Nursing & Midwifery team. On a day-to-day basis, you will be involved in delivering learning support to apprentices and employers at the student's place of employment.

Experience of working with employers and apprentices and a sound understanding of the delivery of apprenticeships is desirable.

The successful candidate should demonstrate a practical awareness of current developments in practise based nurse education and as well as being able to travel regionally and nationally on a frequent basis as an essential requirement of the role.

NMC registration is an essential requirement for this role, as is having DBS clearance.

We ask a lot from our staff but in return, you will receive a competitive benefits package including access to the Local Government Pension Scheme, an employee benefits scheme and generous annual leave entitlement. Working at Petroc College, you will have opportunities to work with colleagues both in Barnstaple and at the University to support and deliver the best student experience possible.

Part-time hours equate to 18.25 hours per week.
